

**ROSTAMI™**

o u r s e r v i c e m e n u

“ Creating an **effective design**  
” is a balancing act between  
communication & simplicity...

# Design Services

**Need an effective design solution?** If you are a new company or an established business we can cater to your needs in any medium. A handful of the services we can provide are below:

- logo
- stationary
- signage
- point of sale
- branding
- advert
- media kit
- powerpoint presentation
- poster
- brochure
- menu
- catalogue
- newsletter
- magazine
- direct-mail
- promotional campaign
- tender submission

Get in contact with us if you need a tailored package to suit your needs.

“ We go above & beyond  
” to get you the best price  
for your **print job...**

## Print Brokers & Print Managers

**Looking for the best print price?** Our sales team can provide you with a competitive quote. In most cases we will beat any existing price.

Regardless of your printing requirements we can advise you on the appropriate action, with associates that do printing for offset (large quantity), digital (small quantity), wide format (1.3m x 50m, A0, A1, A2) & screen-printing.

Let us take care of your print management, prepress & quality control.

“ Get noticed with  
” **Promotional Products**  
that excite...

## Promotional Products

**Want to create a buzz?** Getting your name out there or having your message heard is most effective when it has a real world association. That is why promotions work great with promotional products.

Having your company name printed on any of our promo products is an effective way to excite your target audience into action. Some of the promotional ranges we provide include:

- clothing and corporate wear
- healthcare and beauty
- electronics and media
- pens and pencils
- office and business
- trade shows and conventions
- water bottles and cups
- giftsets and hampers
- stress balls and toys
- confectionary and food

Get in contact with us if you need a tailored package to suit your needs.

“ Our strength is using the  
” latest technology to produce  
your **digital reality**...

# Digital Media

**Need to add a website to your marketing mix, or an e-commerce platform?** Maybe you want to tap into the power of email campaigns or would like some motion graphics with that...

Give us your thoughts and we will turn them into a digital reality.

Some of the services we can provide are listed below:

- static websites
  - dynamic websites
  - micro websites
  - online applications
  - interactive demos
  - search engine optimisation
  - email marketing
  - viral campaigns
  - flash animation
  - motion graphics
  - video production
  - content management system
- Get in contact with us if you need a tailored package to suit your needs.
